Re: DHS/OS/PRIV 12-502/ 12-OIA-0084

Dear Mr. Jones:

This is the final response to your June 1, 2012 Freedom of Information Act/Privacy Act (FOIA/PA) request to the Department of Homeland Security (DHS) Privacy Office that was subsequently transferred to the Office of Intelligence and Analysis on June 12, 2012. As stated in your request you are seeking:

“all responsive documents, emails, memos and/or Power Point Presentations Given to the President of the United States regarding candidates for targeted killing of Al Qaeda's branch in Yemen, Afghanistan, and Pakistan, its allies in Somalia's Shabab militia or elsewhere. Also requested are documents which refer to these documents or the meetings during which they were presented and any other materials related to these 'kill list' presentations and conference calls, as previously referred to in a New York Times article”.

In a letter to you dated July 5, 2012, you were notified that pursuant to the DHS implementing regulations, 6 C.F.R. § 5.11, commercial requesters are responsible to pay 10-cents per page for duplication and for search and review time at the per quarter-hour rate (\$4.00) of the searcher and reviewer. Search time was estimated at 40 hours and review time at 5 hours, with an estimated billable cost totaling \$640.00. In the same letter, you were asked to either confirm your willingness to pay in writing, or revise your request to narrow the scope and reduce the universe of responsive records.

Due to your failure to either agree to pay estimated costs or amend your request, your case is being administratively closed. This is not a denial of your request. Your request may be reinstated upon our receipt of either an agreement to pay estimated costs or an amended request.

If you have any questions or would like to discuss this matter, please feel free to contact this office at (202) 447-4190 and refer to **12-OIA-0084**

Sincerely,

Priscilla Waters (for Tony Tucker)
